

**GLOBAL ASSOCIATION FOR ENVIRONMENTAL INVESTMENTS AND SUSTAINABILITY
OF ECONOMIC, SOCIAL AND ENVIRONMENTAL SPHERES**

GAFÉIAS 2009-2013

GAFÉIAS Foundation in Vienna, Austria, Registration at BPD Vienna, 2009

GAFÉIAS Registration at the UNITED NATIONS – DESA Civil Society System, 2011

Sustainability, in a broad sense, is the capacity to endure. In ecology the word describes how biological systems remain diverse and productive over time. For humans it is the potential for long-term maintenance of wellbeing, which in turn depends on the wellbeing of the natural world and the responsible use of natural resources.

GAFÉIAS Mission

- All achievements and benefits of GAFÉIAS are dedicated to support sustainability of Mankind on Earth.
- Investments initiated by GAFÉIAS are dedicated to succeed human civilization and guarantee environmental resources for generations
- Specific objectives – Strategic security imperative:
- Reduction of extreme poverty and hunger in developing countries
- Contributing for environment sustainability & enhancing energy efficiency in a changing environment
- Fostering education & human resources development for efficient use of resources
- Improving the quality of life in cities, including ecological, cultural, political, institutional, social and economic components without leaving a burden on future generations
- Enhancing the standard of medicine, fostering educational programs in the health sectors
- Empowerment of women via hands-on training in order to secure new income generating jobs/activities for them
